

Medicare Shared Savings Program

Publicly Available ACO Data and ACO Performance Data Sources Maintained by CMS

INTRODUCTION

CMS makes data on Medicare Shared Savings Program (Shared Savings Program) Accountable Care Organizations (ACOs) publicly available through a number of resources. The table below summarizes these sources of publicly available data, the contents of these data files, the format(s) through which the data can be accessed or downloaded, and the frequency with which these sources are updated as well as the approximate date when the source was last updated. Members of the public should submit questions about the Shared Savings Program’s publicly available data by email to SharedSavingsProgram@cms.hhs.gov
