

Ambulatory Specialty Model Participants Data Dictionary

Variable Name	Term Name	Definition
NPI	NPI	Numeric field indicating the National Provider Identifier (NPI) of the ASM participant.
FIRST_NAME	NPI First Name	Plain text field containing the first name of the ASM participant.
MIDDLE_NAME	NPI Middle Name	Plain text field containing the middle name of the ASM participant.
LAST_NAME	NPI Last Name	Plain text field containing the last name of the ASM participant.
ORGANIZATION_LEGAL_NAME	Organization Name	Plain text field containing the organization name associated with the ASM participant.
ASM_COHORT	Cohort	Plain text field containing the name of the ASM participant's cohort, either heart failure or low back pain.
ASM_CY27_PARTICIPANT	CY2027 Performance Year	Plain text field where a "Yes" or "No" indicates whether the NPI must meet ASM's requirements for the 2027 ASM performance year.
ASM_CY27_CBSA_CODE	CY 2027 CBSA/Metropolitan Division Code	Numeric field indicating the Core-based Statistical Area (CBSA) or Metropolitan Division code in which CMS determines the ASM participant's service location for purposes of determining eligibility for ASM for the 2027 ASM performance year.
ASM_CY27_CBSA_NAME	CY 2027 CBSA/Metropolitan Division Name	Plain text field containing the name of the Core-based Statistical Area (CBSA) or Metropolitan Division code in which CMS determines the ASM participant's service location for purposes of determining eligibility for ASM for the 2027 ASM performance year.
ASM_CY27_SERVICE_LOCATION_STATE	CY 2027 Service Location State	Plain text field containing the two-letter state abbreviation of the state in which CMS determines the ASM participant's service location for purposes of determining eligibility for ASM for the 2027 ASM performance year.
ASM_CY27_SPECIALTY	CY2027 Specialty Type	Plain text field that indicates the specialty type of the ASM participant determined by CMS for the 2027 ASM performance year.
ASM_CY27_SMALL_PRACTICE	CY2027 Small Practice	Plain text field that indicates with a "Yes" or "No" whether the NPI is part of a small practice (15 or fewer clinicians within the NPI's associated Taxpayer Identification Number [TIN]) for the 2027 ASM performance year.
ASM_CY28_PARTICIPANT	CY2028 Performance Year	Plain text field where a "Yes" or "No" indicates whether the NPI must meet ASM's requirements for the 2028 ASM performance year.
ASM_CY28_CBSA_CODE	CY 2028 CBSA/Metropolitan Division Code	Numeric field indicating the Core-based Statistical Area (CBSA) or Metropolitan Division code in which CMS determines the ASM participant's service location for purposes of determining eligibility for ASM for the 2028 ASM performance year.
ASM_CY28_CBSA_NAME	CY 2028 CBSA/Metropolitan Division Name	Plain text field containing the name of the Core-based Statistical Area (CBSA) or Metropolitan Division code in which CMS determines the ASM participant's service location for purposes of determining eligibility for ASM for the 2028 ASM performance year.

Ambulatory Specialty Model Participants Data Dictionary

Variable Name	Term Name	Definition
ASM_CY28_SERVICE_LOCATION_STATE	CY 2028 Service Location State	Plain text field containing the two-letter state abbreviation of the state in which CMS determines the ASM participant's service location for purposes of determining eligibility for ASM for the 2028 ASM performance year.
ASM_CY28_SPECIALTY	CY2028 Specialty Type	Plain text field that indicates the specialty type of the ASM participant determined by CMS for the 2028 ASM performance year.
ASM_CY28_SMALL_PRACTICE	CY2028 Small Practice	Plain text field that indicates with a "Yes" or "No" whether the NPI is part of a small practice (15 or fewer clinicians within the NPI's associated Taxpayer Identification Number [TIN]) for the 2028 ASM performance year.
ASM_CY29_PARTICIPANT	CY2029 Performance Year	Plain text field where a "Yes" or "No" indicates whether the NPI must meet ASM's requirements for the 2029 ASM performance year.
ASM_CY29_CBSA_CODE	CY 2029 CBSA/Metropolitan Division Code	Numeric field indicating the Core-based Statistical Area (CBSA) or Metropolitan Division code in which CMS determines the ASM participant's service location for purposes of determining eligibility for ASM for the 2029 ASM performance year.
ASM_CY29_CBSA_NAME	CY 2029 CBSA/Metropolitan Division Name	Plain text field containing the name of the Core-based Statistical Area (CBSA) or Metropolitan Division code in which CMS determines the ASM participant's service location for purposes of determining eligibility for ASM for the 2029 ASM performance year.
ASM_CY29_SERVICE_LOCATION_STATE	CY 2029 Service Location State	Plain text field containing the two-letter state abbreviation of the state in which CMS determines the ASM participant's service location for purposes of determining eligibility for ASM for the 2029 ASM performance year.
ASM_CY29_SPECIALTY	CY2029 Specialty Type	Plain text field that indicates the specialty type of the ASM participant determined by CMS for the 2029 ASM performance year.
ASM_CY29_SMALL_PRACTICE	CY2029 Small Practice	Plain text field that indicates with a "Yes" or "No" whether the NPI is part of a small practice (15 or fewer clinicians within the NPI's associated Taxpayer Identification Number [TIN]) for the 2029 ASM performance year.
ASM_CY30_PARTICIPANT	CY2030 Performance Year	Plain text field where a "Yes" or "No" indicates whether the NPI must meet ASM's requirements for the 2030 ASM performance year.
ASM_CY30_CBSA_CODE	CY 2030 CBSA/Metropolitan Division Code	Numeric field indicating the Core-based Statistical Area (CBSA) or Metropolitan Division code in which CMS determines the ASM participant's service location for purposes of determining eligibility for ASM for the 2030 ASM performance year.
ASM_CY30_CBSA_NAME	CY 2030 CBSA/Metropolitan Division Name	Plain text field containing the name of the Core-based Statistical Area (CBSA) or Metropolitan Division code in which CMS determines the ASM participant's service location for purposes of determining eligibility for ASM for the 2030 ASM performance year.

Ambulatory Specialty Model Participants Data Dictionary

Variable Name	Term Name	Definition
ASM_CY30_SERVICE_LOCATION_STATE	CY 2030 Service Location State	Plain text field containing the two-letter state abbreviation of the state in which CMS determines the ASM participant's service location for purposes of determining eligibility for ASM for the 2030 ASM performance year.
ASM_CY30_SPECIALTY	CY2030 Specialty Type	Plain text field that indicates the specialty type of the ASM participant determined by CMS for the 2030 ASM performance year.
ASM_CY30_SMALL_PRACTICE	CY2030 Small Practice	Plain text field that indicates with a "Yes" or "No" whether the NPI is part of a small practice (15 or fewer clinicians within the NPI's associated Taxpayer Identification Number [TIN]) for the 2030 ASM performance year.
ASM_CY31_PARTICIPANT	CY2031 Performance Year	Plain text field where a "Yes" or "No" indicates whether the NPI must meet ASM's requirements for the 2031 ASM performance year.
ASM_CY31_CBSA_CODE	CY 2031 CBSA/Metropolitan Division Code	Numeric field indicating the Core-based Statistical Area (CBSA) or Metropolitan Division code in which CMS determines the ASM participant's service location for purposes of determining eligibility for ASM for the 2031 ASM performance year.
ASM_CY31_CBSA_NAME	CY 2031 CBSA/Metropolitan Division Name	Plain text field containing the name of the Core-based Statistical Area (CBSA) or Metropolitan Division code in which CMS determines the ASM participant's service location for purposes of determining eligibility for ASM for the 2031 ASM performance year.
ASM_CY31_SERVICE_LOCATION_STATE	CY 2031 Service Location State	Plain text field containing the two-letter state abbreviation of the state in which CMS determines the ASM participant's service location for purposes of determining eligibility for ASM for the 2031 ASM performance year.
ASM_CY31_SPECIALTY	CY2031 Specialty Type	Plain text field that indicates the specialty type of the ASM participant determined by CMS for the 2031 ASM performance year.
ASM_CY31_SMALL_PRACTICE	CY2031 Small Practice	Plain text field that indicates with a "Yes" or "No" whether the NPI is part of a small practice (15 or fewer clinicians within the NPI's associated Taxpayer Identification Number [TIN]) for the 2031 ASM performance year.
